

INFORMATION CIRCULAR
For the Annual Meeting of Shareholders
to be held on June 8, 2017

This Information Circular is furnished in connection with the solicitation of proxies by the management of PrimeWest Mortgage Investment Corporation for use at the annual general meeting (the “Meeting”) of its shareholders to be held on June 8, 2017 at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Information Circular, references to “the Corporation”, “we”, “our” and “PrimeWest” refer to **PrimeWest Mortgage Investment Corporation**. “Common Shares” means Class A common shares without par value in the capital of the Corporation. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Beneficial Shareholders of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

APPOINTMENT OF PROXYHOLDERS

General

The persons named in the accompanying form of proxy are directors and/or officers of the Corporation and are nominees of Management.

A shareholder of the Corporation has the right to appoint a person, other than the person designated in the accompanying form of proxy (who need not be a shareholder of the Corporation, or otherwise entitled to attend and vote at the Meeting) to attend and act for the shareholder and on the shareholder’s behalf at the meeting. A shareholder desiring to appoint some other person may do so either by inserting the desired person’s name in the blank space provided for that purpose in the accompanying form of proxy or by completing another proper form of proxy.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders who wish to submit a proxy may choose one of the following voting options:

- (a) complete, date and sign the Proxy and return it to Computershare, by mail to Proxy Department, 135 West Beaver Creek, P.O. Box 300, Richmond Hill, ON L4B 4R5, at least 48 hours excluding Saturdays, Sundays and holidays) preceding the Meeting or any adjournment thereof. Proxies may be mailed to Computershare at the address indicated above or proxies may be delivered by hand to Computershare, 8th Floor, 100 University Ave., Toronto, ON M5J 2Y1, or by phone at 1-866-732-8683; or
- (b) use a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- (c) via the internet at Computershare's website, www.investorvote.com. Registered shareholders must follow the instructions provided and refer to the enclosed proxy form for the holder's account number and the proxy access number.

In either case registered shareholders must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by the Corporation's board of directors (the "Board") at the discretion of the Board without notice.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("OBOs") who object to their name being disclosed to the issuers of securities they own; or Non-Objecting Beneficial Owners ("NOBOs") who do not object to the issuers of the securities they own knowing who they are.

The Corporation is taking advantage of NI 54-101 provisions permitting it to deliver proxy-related materials directly to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from Computershare. The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the securities of the Corporation. If you are a non-registered owner, and the Corporation or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf. Please return your VIF as specified in the request for voting instructions that was sent to you.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Corporation. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Corporation. The VIF will name the same persons as the Corporation's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of your desired representative (which may be you) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of the Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted, or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

REVOCAION OF PROXIES

Any shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by a shareholder by depositing a written notice of revocation signed by the shareholder or the shareholder's attorney authorized in writing:

- (a) at the registered office of the Corporation, at 1000 - 2002 Victoria Avenue, Regina, SK, S4P 0R7, at any time up to and including the close of business on the last business day preceding the day of the Meeting or an adjournment thereof at which the proxy is to be used;
- (b) with the Chairperson of the Meeting on the day of the Meeting or an adjournment thereof; or
- (c) by signing another proxy bearing a later date and depositing it at Computershare, Proxy Department, 135 West Beaver Creek, P.O. Box 300, Richmond Hill, ON L4B 4R5 or by **hand to Computershare, 8th Floor, 100 University Ave., Toronto, ON M5J 2Y1, or by phone at 1 (866) 732-8683 or on the Web at www.investorvote.com** within the time stated above for delivery of proxies.

VOTING OF PROXIES

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. The person appointed as proxy will vote or withhold from voting the shares represented thereby in accordance with the direction of the shareholder(s) appointing such person. In the absence of such direction, such shares will be voted in favour of or for, as the case may be, the matters identified in the Notice of Annual Meeting accompanying this Information Circular.

The person appointed as proxy also has discretionary authority and may vote the shares represented thereby as such person considers best with respect to amendments or variations to matters identified in the Notice of Meeting or other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

VOTE BY INTERNET

Shareholders may use the internet site at www.investorvote.com to transmit their voting instructions. Shareholders should have the form of proxy in hand when they access the website and will be prompted to enter their Control Number, which is located on the form of proxy. If shareholders vote by internet, their vote must be received not later than **3:00 pm (CST) on June 6, 2017** or 48 hours prior to the time of any adjournment of the Meeting. The website may be used to appoint a proxy holder to attend and vote on a shareholder's behalf at the Meeting and to convey a shareholder's voting instructions. If a shareholder subsequently wishes to change their appointment, such shareholder may resubmit their proxy and/or voting direction prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previously submitted proxies will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.

NOTICE AND ACCESS

The Canadian Securities Administrators have adopted amendments to NI 54-101, which allow for the use

of the “notice and access” provisions for the delivery of meeting materials.

Under the notice and access provisions, reporting issuers are permitted to deliver the meeting materials by posting them on SEDAR as well as a website other than SEDAR and sending a notice package to each shareholder receiving the meeting materials under these provisions. The notice package must include: (i) the relevant form of proxy or voting instruction form; (ii) basic information about the meeting and the matters to be voted on, (iii) instructions on how to obtain a paper copy of the meeting materials; and (iv) a plain-language explanation of how the notice and access system operates and how the meeting materials can be accessed online.

The Corporation has elected not to send its meeting materials using the notice and access provisions.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no Person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting. For the purpose of this paragraph, “Person” shall include each person who: (a) has been a director or executive officer of the corporation at any time since the beginning of the Corporation’s last financial year; or (b) who is an associate or affiliate of any person listed in subparagraph (a).

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Board has fixed the close of business on May 8, 2017 as the record date for the Meeting (the “**Record Date**”).

The authorized capital of the Corporation consists of an unlimited number of Class A shares (“**Class A Shares**”) and an unlimited number of Class B shares (“**Class B Shares**”). Each Class A Share carries the right to one vote at all meetings of the shareholders of the Corporation and accordingly, shareholders of record as at the Record Date will be entitled to one vote for each Class A Share held by them. No Class B Shares are outstanding.

The Common Shares of the Corporation are listed on the Canadian Securities Exchange (the “CSE”). The Corporation is authorized to issue an unlimited number of Common Shares. As of the Record Date, there were 1,890,729 Common Shares issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Corporation, no person beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all shares of the Corporation, except for Canadian Western Trust ITF MFG Ltd. Managed Accounts, which managed accounts control or direct, directly or indirectly, 241,236 Class A Shares, representing approximately 12.76% of the outstanding Class A Shares as of the Record Date.

A person who is a shareholder on the Record Date is entitled to vote his or her shares except to the extent that the person has transferred the ownership of any of his or her shares after the Record Date and the transferee of the shares produces properly endorsed share certificates or otherwise establishes that he or she owns the shares and demands, not later than ten days before the Meeting, that his or her name be included in the list of shareholders for the Meeting, in which case the transferee is entitled to vote his or her shares at the Meeting.

TRANSACTION OF BUSINESS

At this Annual General Meeting shareholders are asked to elect directors and appoint new auditors of the Corporation. PrimeWest has undergone considerable change in the past year where extensive review and realization of non-performing loans within the mortgage portfolio has occurred. The line of credit has been paid down and reduced, with cost saving measures being examined by Management and the Board of Directors.

It is recommended at this meeting that while, five directors be available for appointment only four be elected at this meeting. Further, following the resignation of Brad Penno as Chief Executive Officer (CEO) of the Corporation, effective May 16, 2017 Marlene Kaminsky, Chief Financial Officer (CFO) will assume the additional duties of CEO on an indefinite basis until a successor can be found for the CEO position.

EXECUTIVE COMPENSATION

Named Executive Officers

In this section “Named Executive Officer” (an “NEO”) means the Chief Executive Officer (the “CEO”), and the Chief Financial Officer (the “CFO”) as well as any additional individuals for whom disclosure would have been provided under Statement of Executive Compensation Form 51-102F6, except that the individual was not serving as an officer of the Corporation at the end of the most recently completed financial year.

The following disclosure sets out the compensation that the Board intended to pay, make payable, award, grant give or otherwise provide to each NEO and director for the financial year ended December 31, 2016.

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation’s executive compensation objectives and processes and to discuss compensation decisions relating to its NEOs listed in the Summary Compensation Table that follows. During its fiscal year ended December 31, 2016, the following individuals were NEOs of the Corporation:

- Don Zealand, President & CEO (March 2011 to June 6, 2016);
- Brad Penno, CEO (August 22, 2016 to December 31, 2016)
- Marlene Kaminsky, CFO (June 2015 to December 31, 2016);

The function of the Compensation Committee generally has been to assist the Board in carrying out its responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Corporation’s base compensation structure and equity-based compensation programs, recommending compensation of the Corporation’s officers and employees, and evaluating the performance of officers generally and in light of the Corporation’s annual goals and objectives.

The Board assumes responsibility for reviewing and monitoring the short and long-range compensation strategy for the senior management of the Corporation. Historically the Corporation's Compensation Committee received independent competitive market information on compensation levels for executives.

Philosophy and Objectives

The Corporation's compensation policies and programs have been designed to be competitive with similar mortgage investment corporations and to recognize and reward executive performance consistent with the success of the Corporation's business. The Corporation relies solely on the discussions of the Board, without any formal objectives, criteria and analysis, for determining executive compensation. For the 2017 fiscal year the Board has analyzed the Corporation's needs having regard to the current mortgage portfolio.

Base Salary

In the Board's view, paying base salaries which are competitive in the markets in which the Corporation operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on comparable companies within the industry is compiled from a variety of sources, including surveys conducted by independent consultants and national and international publications.

The Corporation believes that encouraging its executives and employees to become shareholders is an effective way of aligning their interests with those of its shareholders. The Board continues to review and redesign the overall compensation plan for senior management so as to continue to address these objectives.

CORPORATE GOVERNANCE

Mandate of the Board of Directors

The Board has a formal mandate as outlined in the Corporation's Corporate Governance Policies and Procedures Manual (the "Governance Manual"). The Governance Manual mandates the Board to: (i) assume responsibility for the overall stewardship and development of the Corporation and monitoring of its business decisions, (ii) identify the principal risks and opportunities of the Corporation's business and ensure the implementation of appropriate systems to manage these risks, (iii) oversee ethical management and succession planning, including appointing, training and monitoring of senior management and directors, and (iv) oversee the integrity of the Corporation's internal financial controls and management information systems. The Governance Manual also includes written charters for each committee and it contains a code of ethics. Further, in the Governance Manual the Board encourages but does not require continuing education for all the Corporation's directors. A copy of the Governance Manual is available prior to the Meeting upon request by contacting the Corporation directly at tel: (306) 955-1002 or fax: (306) 955-9511 or email: info@primewest.ca.

Composition of the Board of Directors

Applicable governance policies require that a listed issuer's board of directors determine the status of each director as independent or not, based upon each director's interest in or other relationship with, the Corporation. Applicable governance policies recommend that a board of directors be constituted with a majority of directors who qualify as independent directors (as defined below). A board of directors should also examine its size with a view to determining the impact of the number of directors upon the effectiveness of the board of directors, and the board of directors should implement a system which enables an individual director to engage an outside advisor at the expense of the corporation in appropriate circumstances. The Corporation's policies allow for retention of independent advisors for members of the Board when they consider it advisable.

Under the policies, an "independent" director is one who "has no direct or indirect material relationship" with the Corporation. Generally speaking, a director is independent if he or she is free from any employment, business or other relationship which could, or could reasonably be expected to, materially interfere with the exercise of the director's independent judgement. A material relationship includes having been (or having a family member who has been) within the last three years an employee or executive of the Corporation or employed by the Corporation's external auditor. Any individual who (or whose family members or partners) received directly or indirectly, any consulting, advisory, accounting or legal fee or investment banking compensation from the Corporation (other than compensation for acting as a director or as a part time chairman or vice-chairman) is deemed to have a material relationship with the Corporation. An examination of the number of directors required to effectively attend to the proper intentions of the Corporation has resulted in the board being reduced to four in number in 2017.

Three of the Board nominees for election to the office of director, are to be considered "independent". These nominees will be, if elected, considered independent by virtue of their not being executive officers of the Corporation and having received no compensation other than in their role as directors.

Directorships

The Board monitors activities of senior management through regular meetings and discussions amongst the Board and between the Board and senior management. The Board is of the view that its communication policy between senior management, members of the Board and shareholders is good. The Board is satisfied with the integrity of the Corporation's internal control and financial management information systems.

Committees of the Board of Directors

Applicable regulatory governance policies require that (i) committees of the Board be composed of at least a majority of independent directors, (ii) the Board expressly assumes responsibility, or assigns responsibility to a committee of directors for the development of the Corporation's approach to governance issues, (iii) the Board's audit committee be composed of a majority of independent directors, and the role of the audit committee be specifically defined and must include the responsibility to oversee management's system of internal controls, (iv) the audit committee has direct access to the Corporation's external auditor, and (v) the Board appoint a committee, composed of a majority of independent directors, responsible for proposing new nominees to the Board and for assessing directors on an ongoing basis. The compensation committee recommends compensation for the directors and executive officers of the Corporation. See further disclosure under *Executive Compensation and Directors Compensation* above. The Compensation Committee Charter is included in the Governance Manual.

Compensation committee functions include the annual review of compensation paid to the Corporation's executive officers and directors, and the review of the performance of the Corporation's executive officers.

The Audit Committee is responsible for overseeing the work of the Auditors, to assess major audit risk and to understand the audit strategy that is employed for the Corporation. For further information see *Audit Committee and Relationship with Auditor* within this Information Circular.

Governance Committee

The Governance Committee is responsible for developing and recommending the Corporation's approach to corporate governance and assists Board members in carrying out their duties. The Governance Committee also reviews all new and modified rules and policies applicable to governance of listed corporations to assure that the Corporation remains in full compliance with such requirements as are applicable to the Corporation.

Board of Directors Decisions

Good governance policies require the Board of a listed corporation, together with its chief executive officer, to develop position descriptions for the Board and for the chief executive officer, including the definition of limits to management's responsibilities. Any responsibility which is not delegated to senior management or to a Board committee remains with the full Board.

Recruitment of Directors and Assessment of Board of Directors Performance

Good governance policies require that (i) the board of directors of every listed corporation implement a process for assessing the effectiveness of the Board and its committees, and the contribution of individual directors, (ii) every corporation provide an orientation and education program for directors, and (iii) every board of directors review the adequacy and form of compensation of directors and ensure that the compensation realistically reflects the responsibilities and risks involved in being an effective director.

Please also see *Governance Committee* above.

Ethical Business Conduct

The Board has a formal ethics policy, which is contained in the Governance Manual. The Board also believes that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board has considered the size of and number of directors it feels is required to effectively address the needs and requirements of the Corporation in 2017. The appointment of four directors, each of whom has different range of views and experience is recommended for election at the annual general meeting of shareholders.

Other Board Committees

There are no committees of the Board other than the Audit Committee, the Credit Committee, the Compensation Committee and the Governance Committee described above.
